“ I remember when I first got you at 8 months old n brought you home to Oleta n you been in our family ever since you grew in to a smart n protective n loving friend - you used to love riding in cars with your head out n your ears blowing in the wind - you loved playing chase with chinitan nyou would stand up so proud after bath n let me trim you up ... Mvtoooooo Chebon for trusting me in your life here n I miss you already hearing you tapped around in the kitchen . Your are loved n well miss you .
