“ When I got Sophie, she was seven weeks old. She is been the best dog I have ever had she would follow me around the house. She's going to be beside me at all times when I come home from the grocery store her first thing where she like to look in the sex to see if she had a toy or treat, it was funny she was looking as fast as she could before I put them up when I was sad she was there inside me trying to make me laugh. We're all in an around she was a good girl she never was mean to anybody she didn't like for you to hold her but she had to lay beside you. I miss my four-legged friend. She was supposed salt and she was wearing hair so now I won't get it here knocking at the door to come in after go on the potty see your smudges on the window where she.

Came in every night I was seeing her a song actually two songs you are my sunshine my only sunshine you make me happy. When clouds are gray you'll never know dear how much I love you please don't take my sunshine away and the other one was Jesus loves me And afterwords I brush my hair even though her hair was short she wanted hers brushed so I'd brush her hair and then I put on lipgloss and she wanted to lip gloss so I got her a tube of lipstick gloss and she sure teeth or not put it on her lips Then she would lick it off.

She's a very smart dog and I won't see her tail wagging anymore, or her little footsteps. She lived 16 years she didn't why are you facing white legs at the bar about seeing a couple of pictures Siri so much I don't know if I'll ever get a word she was this your sweetheart.

or her little footsteps. She lived 16 years she didn't why are you facing white legs at the bar about seeing a couple of pictures Siri so much I don't know if I'll ever get a word she was this your sweetheart. Love you so pretty girl Love you love

Love you, Sophie, I know you don't hurt right now and you're free and you're with Jesus and he will take good care of you. Until we meet again running play I still see your song every night to you even though you're not here when I couldn't see you suffer. I'm so glad you hStephanie, Brad and Shirley to take care of 🙄 you while I'm in the hospital. I love you forever. Love, mommy💕💕
