“ Soxxie... There are not enough minutes in the day to express how much you mean to us! You won your way into our hearts the moment we laid eyes on you! We are anxiously awaiting your return to your fur ever home! You were our baby and mother to our 2 legged and 4 legged babies! We miss you very much! There will never be another that can take your place! Yes, we will open our hearts and home in hopes to find another to fill the emptiness that we feel... We know this is what you would want! We will always cherish your memories and pictures in our hearts! You were beautiful as well as a beautiful soul! We had almost 13 wonderful years with you! God was good to you and us! Thank you for coming into our hearts! God speed to meeting up with Doc, Gunner and Elvis! They will be so glad to see you! Daddy and I will one day meet up with you again. We know you will be there wiggling your butt to great us and lead us over that rainbow bridge! There truly is Gold at the end of the rainbow when we meet up with our loved ones again and there we will spend eternity together! Until we meet again! Happy trails! Love Daddy, Mommy and Kiddos
