“ I was the owner of Spike. He had such a long tounge the vet told us he wasn't suppose to live passed 5 years old. He was 8 when he passed. I loved him so much he was my first dog. I took care of him the best way I could. He was the best and loved me so much. He would follow me wherever I went. I love you so much spike there will never be a dog compared to you. You were one of a kind!!!
