“ Oh Spoo Spoo... You will always be my first grand pup! You had a huge personality, and you were always looking for something to explore!

You filled our life with laughter, licks, and love!

You kept us on our toes, and you knew just how to get what you wanted.

You were polite, you took great interest in your people, and you were great at barking strangers away!

The only times that you weren't busy was when you had worn yourself out!

You will always be our grand pup who entertained us, and kept us smiling.

I cannot imagine life without you, so I won't.

Mimi will be seeing you again in that great field in the sky!

I'll bring treats and a new volley ball.

I love you. 🐾

“ *My house is so quiet now. He used to bark at everything, and his little pitter patter paws have left a void. I miss Misser Pook and love him so much*

“ Spooky was my best buddy and followed me everywhere. He was always by my side and my favorite thing was how he always made me feel safe. He wasn't a large dog but he would position himself to watch where I couldn't. At night he slept snuggled back to back with me, ready to catch anything sneaking up. He had many nicknames: Mr Pook, Pook n Beans, Spookins, Pookins, Mr Spoot and something I called him very often, Handsome. I loved him and he loved his Chrissafer. I wanted a dog but what I got was prince among dogs and he will be sorely missed.
