“ Troy it will be a year tomorrow that you returned to the Heavens. I've been lost without you. I have so many pictures of Our times together , you were a Mighty Warrior. Your Namesake, My dad, at times I swore you were him reincarnated. Jealous of every man that looked my way, in your eyes "I didn't have time for dat!" Our lives together were surrounded by Adventure, Camping Trips, Swimming, Flights to California, Backwoods Bash, Easter Island, Indigenous at the Guthrie Green, you Loved Music Festivals & everyone Loved you. Singing Happy Birthday & talking to the Grandkids on the phone, especially Tyler was just a few of your Favorite things. Troy We are Lost without you & I don't care to ever have another dog. Your ashes are with me everywhere I go & I know One of these days We will meet again on the Rainbow Bridge, Until we meet again I Love you to the Moon and back....□
