“ You were my first grandpuppy. I love you so so much. You are the best little boy in the world. My first best memory of you is when grandpa went in to take a nap and yelled at me to come look and I went in and there you were all snuggled up under the covers in our bed just your little nose sticking out. I started to remove you and your grandpa said no leave him alone. He turned and told you now look here this is a king size bed and your a pint size dog you dont need the whole bed move over. I knew right then you were special grandpa never let a dog in his bed but he let you. Now you are both in heaven and I know grandpa was waiting on you when you crossed over so you could be scooped up in his arms and know you werent alone and you are still his special little grand puppy. RIP Twitchy I love you
