“ Riley, Bill, and I send our deepest condolences in the loss of this wonderful Victor.

*I haven't ever seen such a wise dog, and he had such an old soul. Loved to watch him walk the dog and grab his own leash, or whoever's leash was around, and go for a walk.*

*Riley wouldn't go for Victor's walk easily. Then Riley always trying to hump poor Victor as we headed to obedience classes, not that Vic needed the classes.*

*Remember that great dane was humping poor Victor in class and Vic just kept walking.*

*Some dog was always trying to hump Vic. He was the sweetest most loving dog who loved his Mom and Dad absolutely. So very, very sorry!*
