“ I remember the time boudacat got out of the house because I left the door open on accident. I spent forever looking for her because I knew my brother would be so upset if I lost her. I was almost at the point of giving up, when I found that crazy cat hanging out in the dog house with Daisy 😭 she was a crazy cat but that's one of the things I loved most about her. Rest in peace Daisy and boudacat ❤️

“ I am thankful for the time I have been able to spend with boudacat throughout her life. She has been the one constant for my family in all of our times of chaos. I appreciate the way she would bring joy to our family, while also doing her best to be there for us in our times of need.

“ *BoudaCat was the best cat our family could ask for. I will forever be indebted to all she did for us. From learning how to sit for treats and teaching the others to do the same to pawing me awake when I missed my alarm to being a comfort when I was sick to being a support for my family when they needed it the most, she was the best.* ”
