“ So.....Who really wants to know about Worm? If you do, let me tell ya. This dude's personality was out of this world. Yeah, he would launch at your face a time or two...(lol). Yeah, secretly his best friend was a turtle named Ernie ( Frenemies), lol. But.....this guy was unstoppable in his personality. He knew what he wanted and when he wanted it and he found the people in my parents to give it to him. Wild man worm will always live in my family's memories. Just like Roxy, Bubba, Paris And now worm. Everybody always remember they're not just pets, they're family members. And worm is part of my family, and will never be forgotten.
