“ Zoey was my world. Baby girl you are so missed. I got you when you was 5 weeks old. Everyone heard pittbull and was like really. You was my ray of sunshine every day. If I couldn't smile you helped make things better. Everyday you got up went to work with me keeping me company. That wiggle when excited was contagious you are irreplaceable. Your love for me and braums. Lol. The most intelligent dog I ever had. I didn't see you as a dog. You was my friend and loved daddy unconditionally. Funny stories and how I did stupid things. One thinking you swallowed a tac so I made you puck it up and you hadn't even swallowed anything it was under the dresser. The. The time you ate and entire bowl of grease. That was a mess. Zoey I wish I could have done more to keep you here. I have so many regrets. I love you with all my heart and I hope to see you again someday. Why all the good ones have to go. I do hope you are strong and have the use of your legs again running up there and keeping my mom and dad happy. I'm sure scottie sees now my love for you as well. I miss you my angel. Until we meet again. Daddy.
