“ *They say a dog is a man’s best friend, but they are so much more. They become part of your family, like children in a sense. They are always happy to see you, never hold a grudge, and love you unconditionally.*

*Zoey was everyone’s best friend. She loved sitting outside, staring at the sunset for hours. She loved to go on runs. She loved car rides and road trips. She loved to sleep in the weirdest positions. Most of all, she loved us.*

*Zoey was the best dog we could have asked for. We had an amazing 10 years with her and will miss her so much. I always said she came from royalty...maybe now she running around her castle*
